Taking care of a person living with Alzheimer's or related dementia is specialized work. To do this work successfully, caregivers need special skills, knowledge, and a positive attitude that helps them to care for themselves.

Become an expert in Caregiving for someone with Alzheimer's or related dementias!

Savvy Caregiver will help you:

- Understand the impact of dementia on both you and the person you are caring for.
- Learn the skills you need to manage daily life.
- Take control and set goals.
- Communicate more effectively.
- Strengthen family resources.
- Feel better about your caregiving.
- Take care of you!
